You are ready for the future but can't help but hold on to the past — your friends, your school, your life as you know it.

Capture the way you want to be remembered, the way you see yourself, the way you really are.

READY, SET, GO!

SELECT YOUR SESSION

This "Capture The Moment" brochure shows you all the possibilities available for your senior portrait session.

We conveniently set up a studio-like atmosphere at your school. This gives you the opportunity to document the unique moments of your extraordinary senior year.

Not all backgrounds in this brochure will be available at every shoot.

WHAT TO BRING

Make your session a memorable one. Bring a mix of casual and formal outfits, as well as some props, to bring out your unique style. Long sleeves and solid colors really pop against our backgrounds.

Session Fee—Check your appointment card for options and pricing. Prepay your session fee online at vosphoto.com/seniors (remember to bring your receipt or order number with you).

Ladies—We provide a drape for your formal yearbook poses. Please bring a spaghetti strap tank top or tube top to wear under the drape. A light solid color outfit photographs best under the graduation gown.
